Preliminary Status update once ESOT and AP ESOT have been sent to referral labs.

Once a specimen has been prepared and awaiting transport to reference lab, site staff will move all ESOT and AP ESOT to an "In Process" status in ORV.

This will allow clinical staff to track what misc. order is enroute to referral lab for testing.

3. Specimen prepared for referral lab
 - a. Site staff will open ARE
 - b. Locate "Esoteric Test Preliminary Status"
 - c. Select "Sent to Reference Lab" and "Verify"

Procedure	Result	Flags	Status
