

BUCS Requisition received with the **PreProcedure PAT PCR (RL)** dummy order requested. **Ordering providers should be Dr. Minor or Dr. Mitzel ONLY!**

Look for an outpatient Pre-Op Testing encounter within a few days of the collection date.

Enc Type	Enc Type(s)	Med Service
Outpatient		Pre Op Testing

If there isn't a Pre-Op Testing account then an MS4 account will need to be created.

During Business Hours: contacting the business office group
After Business Hours: use a downtime number and complete a quick registration

Do not activate the dummy order: PreProcedure PAT PCR (RL)

Order the following in DOE:

COVID19 WR - McKee (testing site may change with increased volumes)

And only if requested: COVID-19 IGG – SQL

Enter the surgery date in the label comment section.

If the surgery date is 24 hours or less Order Inluabcov on the LIAT

All other BUCS COVID orders received in BLUE BIOHAZARD bag can be registered as a Horizon encounter and COVID19WR testing to McKee can be ordered.
